

Sound, Video & Worship
Ministry Application Form

Calvary Chapel Las Cruces

Sound, Video & Worship Ministry Application

Thank you for expressing interest in joining this ministry of Calvary Chapel Las Cruces with us. We look forward to seeing what God has in store for you! The audition process is not intended to intimidate anyone, but instead to encourage believers to use their God given gifts to fulfill their personal mission for Christ. The questions in the application form are meant for us to get to know you better as there are certain expectations that will come with serving in these ministries, as well as expectations in your spiritual life. Pray before you fill out this application... God will guide and direct!

WHO SHOULD APPLY

- Audio/Video Technicians (You know how to run a sound system, a sound board and/or video equipment)
- Vocalists (either for lead or backing parts)
- Guitar (Electric and/or Acoustic)
- Bass Guitar
- Piano/Keyboards
- Drums & Percussion (Congas/Bongos, Tambourine, Shaker, etc.)

MUSICAL EXPERTISE/EQUIPMENT

A certain level of musical expertise is expected in both the sound room and worship team. Whether you play an instrument, sing or run the sound board, you should be skilled enough to follow a service led by the Holy Spirit. Instrumentalists are expected to have their own instruments. (*with the exception of drums)

TIME COMMITMENTS

Time commitment is an expectation to communicate how available you will be and to then honor that time. Keep in mind that we do not expect you to be available for EVERY service... only as often as you are comfortable with or can manage. Rehearsals are one evening a week for about 2 hours (1 hour per service); Monday's at 6:00 - 8:00 PM (*times are subject to change) and the sound & video team is expected to join the practice. The sound, video & worship teams are also expected to arrive Sunday mornings at 8:00 AM for prayer; warm up and run-throughs begin at 8:30 AM, 6:30 PM on Wednesday.

MEMBER OF THE CHURCH

You must be a regular attendee of Calvary Chapel Las Cruces. If you're new to this church, there will be a period of a month or more before continuing with the audition process. This "waiting period" is to ensure that you are consistent and comfortable with making Calvary Chapel Las Cruces your home church and to help the leadership get to know you better before being put into a leadership role. Audio, Video & Worship applicants will be trained during this time as well.

SPIRITUAL MATURITY

Spiritual maturity is a trait that must be evident in all members of the sound, video & worship team. Worship is one part of the church where we heavily focus on praising Him and allowing the Holy Spirit to lead; the group placed in charge of sound, video and leading the congregation into worship should be filled with strong Christians that are regularly reading and studying the Bible, constantly praying and able to pray for others in the church.

FAMILY SUPPORT & WORSHIP FAMILY SUPPORT

The support of immediate family members is key to all who are interested in joining the sound, video & worship team. Family members are, by extension, also part of the sound, video & worship team. A good spiritual support system is fundamental. The teams are made up of many individuals, all with different personalities, cultures and backgrounds. A respectful environment is required between you and each of the other members in every ministry of Calvary Chapel Las Cruces. A strong personal relationship is encouraged among the entire team for accountability and fellowship reasons.

SERVANT HOOD

These ministries are completely VOLUNTARY. Do not join unless you are truly excited about worshipping God. These ministries should never be looked upon as a chore or obligation; we ask that you bring an excitement and enthusiasm to your role in the sound room or as a worship leader. Have fun worshipping God and let that enthusiasm show!

ABOVE ALL

Finally, God must be your first love and He must be evident in your life above all else!!

If you have any questions, please contact us at worship@calvarylascruces.com or call Matthew Trujillo-Acosta at 575.571.0307.

Calvary Chapel Las Cruces

Sound, Video & Worship Ministry Application
